Regarding: CASE NUMBER 2005-00445

Dear Sir:

This is to let you know that I support the application of Cumberland Cellular Partnership to build a 260-foot tower to be located at 900 KY Old Loop #3, Monticello, Kentucky 42633.

I am a partner in an optometrist business in Monticello, Kentucky. I believe it is in the best interest of this county and the entire area for this application to be approved. Communication is vitally important to each individual who lives in Wayne County as well as those who travel through this area. This tower should alleviate some of the "dead spots" in cellular communication. Thank you for your consideration in this matter.

Sincerely,

Emily Hesse
